Electronics charging	Spare batts for SPOT	1.0	(4) Lithium AAA
	Monocular		Routefinding, rapid scouting, wildlife observation
Орегез	20' 7mm haul rope	2.0	to possibly haul packs on class 3/4 sections
Writing instrument	Fischer space pen (micro size)	0.2	To mark up maps, take notes about trip
Toothbrush	Standard toothbrush		smaller size but full handle
Toothpaste	Toothpaste dots		silly but they work
Toilet paper	Premium quality - 4 tiles per day		TP only for polish, use found materials first
Hand soap or sanitizer			Dr. Bronner's plays double-duty
Sunscreen	small plastic tube about 1/2 full		just for face & hads: most of body covered—large hat
Lip balm	Bert's Bees or similar		Minimal wt for dedicated lip balm
First Aid Kit	Meds, foot care, gear repair		See detailed list at bottom
Medications	See detail of first Aid Kit below		ood detailed library sections
Headnet	Peter's Headnet, mosquito mesh 0.5		late season, and dry at that, but may still need
Insect repellant	Sawyer Maxi-DEET Spray 0.5		Convenient size; effective
Foot care kit	Bonnie's Balm in small balm jar	0.5	In case of wet feet. Never get blisters.
Compass	Suunto M-3D Locator Compass (1.6)	0.0	Lightest compass with declination adjustment
Compass	Brunton Adventure Race compass (1.7)		My favorite compass - very easy to use
Knife	Gerber LST Knife 2.6" blade (1.2oz)		Cut bread and salami - extremely light for size
Knife	LadyBug Folding Knife (2" blade) (0.6)		about the smallest functional kife
Scissors	Wescott blunt tip school scissors	0.9	More useful than knife - OK for plane carryon
Firestarter	Bic Mini Lighter + trash		Candy bar wrappers are great fire starter
	Fenix LOD2 w spare battery		Best mini light available, attach to hat brim with clip
Wallet w/ID, cash, CC	Nylon zippered pouch		More secure on me than left in car
TOTAL		73.0
